

The United Republic of Tanzania  
Ministry of Information, Communication and Information Technology  
**Department of Information Services**

**January 28th, 2023.**

The Government of Tanzania has noted with the great concern the false claims spread by some foreign Institutions/Companies that there is civil unrest in Tanzania.

We wish to assure all embassies, international organizations, companies, institutions, foreigners and the general public that the Tanzania territory is safe and there is no civil unrest or terrorist attacks.

Our agencies remain vigilant to ensure the safety and protection of individuals and their property. Furthermore, we are cooperating with friendly countries to interdict any security threat.
